Your party will be only hunters on the property for that time period unless otherwise notified.

Parties of 3 may be mixed with others to make a larger party. If game is taken early and time allows, you may hunt certain game on your own.

All hunts include **meals, lodging, guide, cleaning of big game, and transportation** within the hunting area. **We will help you clean, package, & freeze your birds, however, if you don't wish to help, there is a \$5 per bird charge to clean.** Airport pickup in Rapid City, S.D., Dickinson, N. D., or Bismarck, N.D., \$600/party extra, however we recommend you rent a vehicle for you or your party.

A 50% deposit is required to reserve hunt or by MARCH 15 of the year you book in. Deposits are nonrefundable. Balance of hunt fee due 60 days prior to hunt date. On a cancellation, Outfitter will try to find a replacement, but expect to lose your deposit if replacement hunters are not found.
